

INTEGRATED HOUSING DEVELOPMENT- BUKIT ANTARABANGSA

Client Triumph City Development Sdn Bhd/ Pilecon Berhad
Location Bukit Antarabangsa, Selangor, Malaysia

The Site

The site is located in Mukim Hulu Kelang, Selangor that is 15 km from Kuala Lumpur. The site is approximately 130 acres and better known as Bukit Antarabangsa.

Development Concept

The aim of the development is to develop an integrated housing development, which will enhance the quality development surrounding the site. In addition, the development will include resettlement of squatters in selected areas within the vicinity. With environmental planning concept of the project, it will be developed in phases and environmental control will be conducted to determine the impact of the development to the environment.
